250+ COMMERCIAL FIT-OUTS COMPLETED

Across Perth metro retail, hospitality & office spaces — and counting.

OUR PROCESS — PLAN TO HANDOVER

01 DESIGN & CONSULT
Review plans with your shopfitter — lighting, power, data & load.

02 ROUGH-IN & SERVICES
First-fix cabling, circuits & switchboard while the space is open.

03 FIT-OFF & FIXTURES
Fixtures, feature lighting, outlets & signage power installed.

04 TEST & CERTIFY
Safety tested to AS/NZS 3000 with a WA Electrical Safety Certificate.

SERVICE AREA

ALL PERTH METRO & SURROUNDING REGIONS

Shopping centres, high-street retail, hospitality venues, salons and commercial tenancies — anywhere across the metro. We coordinate with builders, shopfitters and centre management.

ALSO: EV CHARGERS · POWER POLES · COMMERCIAL · LIGHTING · A/C

★ ★ ★ ★ ★

"Connor and the team did an exceptional job on a number of electrical tasks including the installation of downlights and feature lighting. Extremely professional and ensured a clean job at all times. Highly recommended!"

FIT-OUT SERVICES WE COVER

01 LIGHTING & FEATURE LIGHTING
Downlights, track, pendants, neon & signage lighting for retail and hospitality spaces.

02 POWER & DATA POINTS
Outlets, dedicated equipment circuits, POS, data & comms cabling.

03 SWITCHBOARDS & DISTRIBUTION
New boards, upgrades & load management sized for your fit-out and future growth.

04 FIT-OUT UPGRADES & REFURB
Refresh or re-fit existing tenancies for performance, safety & efficiency.

05 SHOPFRONT & SIGNAGE POWER
Illuminated signage, display & feature power neatly supplied and switched.

06 EXIT & EMERGENCY LIGHTING
Compliant emergency & exit lighting, testing and certification for occupancy.

WHY SHOPFITTERS & BUILDERS CHOOSE US

- We work to your build program & deadlines
- Fixed, all-inclusive pricing with no hidden costs
- WA Electrical Safety Certificate on every handover
- Coordinated cleanly with other trades on site
- Fully licensed & insured — $20M public liability
- 24/7 availability for defects & opening-day callouts
